DOMOSCHOOL 2023

This edition wants to focus on one of the most debated current topics in the scientific environment concerning the dynamics of galaxies.

The School will consist of FOUR courses for a total of 20 hours and it is mainly dedicated to PhD students, postdocs and young researchers, but interaction with and among professors will be also encouraged.

REGISTRATION

EARLY FEE: € 200,00

due payment by May 31th

REGULAR FEE: € 220,00

due payment by June 30th

The participation Fee includes teaching material in pdf format, lunches and coffee breaks in the lecture days.

FELLOWSHIPS

The organization, thanks to FONDAZIONE CRT and to INDAM GNSAGA, has provided some grants consisting of FREE HOSPITALITY (B&B in shared room) for participants on July 16/22.

A limited number of fellowships (up to a maximum of 20) will be assigned in priority order of arrival or indicated reasons.

The request of the grant must be made by participants filling in the REGISTRATION FORM and SENT by June 30th

SHORT TALKS

Deadline July 10th 2023

A limited number of slots for a 20-minute talks will be reserved to university and PhD students and young researchers.

Title and a short abstract should be mailed to the Organizing Committee for approval by the SCIENTIFIC BOARD.
